- **Tier 1**, Boston, Litigation – Labor & Employment

As a 2015 “Best Law Firm,” HRW is recognized by its peers and clients for professional excellence. The evaluation process is based on the collection of client and lawyer evaluations, peer review from leading attorneys in the same practice areas, and review of additional information provided by law firms as part of the formal submission process. HRW was reviewed and evaluated based on responsiveness, understanding of a business and its needs, cost-effectiveness, integrity, and civility.

The feedback HRW received from its clients included:

- “I am familiar with a few of the Hirsch Roberts Weinstein lawyers...In addition to being technical experts in their profession, they are accessible, great communicators, and most importantly, highly trustworthy advisors.”
- “Hirsch Roberts Weinstein is the best team of lawyers in Boston. They are experts in their respective fields, responsive, and work harmoniously together. If you are in need of employment or labor counsel, there is no other firm to call!”
- Hirsch Roberts Weinstein is the best law firm I have ever worked with! The level of service and response time to inquiries is beyond excellent. If I have an urgent matter, I will get a response within minutes, whether it’s via email, text, or phone. If my attorney is not available, they always have a backup who will take care of my needs. I’ve worked with this firm for six years and would never think of using anyone else for my labor law issues.
- The individuals we work with at Hirsch Roberts Weinstein have a solid grasp on our business and our culture and are therefore very skilled at providing us with solutions that meet our needs. They are responsible and thoughtful as well as proactive with their communication. My entire HR team gets a great deal of value out of working with them.”
